

## Satya Bharti Visit ~Class II

Sat Paul Mittal School organized a visit for class II to Satya Bharti School on 11<sup>th</sup> October, 2018. The School firmly believes in collaborative learning so different hands on activities using clay, dumb charades and colours were conducted. Our little Satyans also helped the teachers in serving the mid-day meals to the kids at Satya Bharti School. The Satyans also

conducted a quiz in which everyone participated with great enthusiasm and zeal. A play on 'Save Girl Child' was performed by students of Satya Bharti School and was well appreciated by all. It was a delight to watch the little Satyans helping other students in performing the activities, learning and sharing their experiences. They learned the values of empathy and kindness.
