

## Workshop on Disaster Management was organised at Sat Paul Mittal School by Mr. Yash Pal Chauhan

Sat Paul Mittal School organised an informative workshop on Disaster Management on 1<sup>st</sup> June, 2023. The workshop was conducted by Mr. Yash Pal Chauhan, Honorary Advisor, Institute of Disaster Management and Fire Sciences, Chandigarh. The resource person explored the topics of Disaster Preparedness, Prevention and Action planning required in the school campus in case of a natural or

man-made disaster. The workshop focused on how to handle natural disasters like floods, fires, earthquakes as well as man-made ones including electrical and chemical hazards. The resource person commenced the workshop with highly important objectives which included ensuring better disaster response skills in assessment, analysis, intervention and evaluation of a disaster to enhance understanding of hazard vulnerability and risk analysis (HVRA). It also included practical response to different stages of disaster management by adopting advanced technology and sustainable means. He focused on the significance of integrating disaster management curriculum to reduce the potential risks with better prepared institutions. The teachers and the staff members participated in a productive discussion with the resource person to clarify their doubts in order to ensure accurate decision making in case of an emergency. The practice of P.A.S.S and R.A.C.E. in case of a fire hazard were practically demonstrated. Overall it was a highly immersive experience for the whole staff and it helped them to be well prepared for future emergencies.
