

Satyan Showcase Day Class- I

Every child has a different learning style and pace. Each child is unique, not only capable of learning but also capable of succeeding.

Unveiling the hidden potential of the students is of paramount significance during the formative years. In consonance with its mission to create thinking individuals capable of articulating their thoughts effectively, Sat Paul Mittal School organized a 'SATYAN SHOWCASE DAY' for the students of Class I on 2nd August, 2019 in the school campus. The inception behind this thought lay in the sole motive to provide an opportunity to the students to showcase their talent. The approach is to facilitate hands on experience and learning that will structure their thought process and help them to explore different realms of knowledge and imagination.

The Satyans showcased their work to their parents with full zeal and confidence. The young Satyans did not leave any stone unturned in presenting the work. The event started with a brief introduction about the showcase followed by a song based on the theme- Community helpers. Eventually the Satyans applied their ideas and presented their work differently in their own unique way. Last but not the least, the event ended with a special vote of thanks. The entire event was a huge success.

Parents appreciated the efforts put in by the Satyans and looked forward for more of such events in the future. They were mesmerized to see their children showcasing with utmost ease and confidence. The event also helped in building a better parent teacher relation. The showcase day was a part of the parent engagement programme to promote the holistic development of the children and to showcase the concepts covered during the month.
