

A field trip to a Grocery Store- Class PV

Field trips are not only for fun but are also very valuable learning experiences for the young children. They help in building background knowledge and vocabulary that are important for success in school and life. Today, the young Satyans of class PV visited the Reliance Super Market, Dugri as a part of the thematic learning, integrated with the theme of the month 'Fruits and Vegetables' and also 'letter g – grocery'. It provided the students with an opportunity to learn in a more hands-on and interactive manner. Seeing the real-life application of the lessons. It helped the children in cultivating better understanding of the topics. In all, it was a fulfilling trip and the kids enjoyed this little break from their daily school routine.
