“Deconstruct the myths associated with overseas education”. A workshop by Ms. Poonam Singh from The Study Inc was conducted on an overview of the education system, the world over with special focus on the United States of America.

The workshop was attended by the students of Classes XI and XII who wish to pursue education overseas. Ms Poonam Singh briefed the students on “how soon to begin preparations for United States of America, Importance of Portfolio building ,Reading Lists, Researching colleges in-depth on close

to 12-15 parameters, the financial aspect and the community service myth followed by the Q_&A round. Ms. Poonam in her one hour session also gave students tips on how to improve their writing skills. The students learnt techniques that they could adopt and present in their essays. It was a very interactive and informative session with keen emphasis on Essay Writing.

“Almost everyone will make a good first impression, but only a few will make a good lasting impression”. A curriculum vitae is a list of accomplishments that a high school student needs to focus on to be a part of his/her dream college. In light of this, Sat Paul Mittal School Ludhiana conducted a workshop on Resume Building by Ms. Jyoti Madaan from Persona. This insightful workshop was attended by the students of Classes XI and XII. The workshop provided the students with clarity on the 3 W-1H with reference to writing curriculum Vitae. The tips on writing impressive resume was indeed a great take away from the session.

The resource person for the day, Ms.Jyoti Madan also provided an insight into pursuing studies in Canada. The students from classes XI and XII aspiring to pursue higher studies in Canada took active part in the discussions and put forth their queries on financials, scholarships and permanent residency options available in Canada for International students.
