

Workshop on Career opportunities in Colleges and Universities of Canada and Australia

A workshop on Career opportunities in Colleges and Universities of Canada and Australia was held for the students of Classes VI to XII on 18th October, 2019. A team from International Development Program (IDP) enlightened the students about the education system in Canada and Australia.

Ms. Sakshi briefed the students on the right time to send their applications to various colleges and universities of Canada. She apprised the students about the courses offered there and about how to get the registrations done. She also told the students to stress more on their academic achievements.

Similarly, Mr. Gurpreet Singh informed about the various courses and scholarships available in the colleges and universities of Australia. The students cleared their doubts by asking questions to the resource persons. It was an interactive session. The students were elated to get their doubts clarified. It was indeed an informative session.
