

Workshop on ICT Tools by Ms. Duhita Parmar and Ms. Monica Joshi

A highly informative and interactive workshop on ICT Tools was conducted for the teachers at Sat Paul Mittal School by Ms. Duhita Parmar, De Pedagogics, MIE Expert, MIEE Fellow, Master Trainer and Ms. Monica Joshi, IT Head, Sat Paul Mittal School.

With the intention of creating an inclusive learning experience that would encourage students to collaborate with each other across the class, the session provided the teachers a better access to the latest information and communication technology (ICT) tools and help them in integrating technology into teaching in a safe and secure manner to enhance learning experience and 21st century skills of their students. The teachers had hands-on knowledge of Microsoft 365 tools such as OneNote and Microsoft Teams which is designed to provide an easier way for small groups of people to communicate and collaborate.

The resource person, Ms. Duhita Parmar motivated the teachers to adopt Microsoft Teams application.

She said that “Team Assignment is a great starting point to develop a digital classroom with

Microsoft. Curation of material in a single place for teaching and learning would also allow for a smooth transition into learning the other features of Office 365 Education.” Classrooms of schools are slowly inching towards infusion of

modernity in the education system, driven by adoption of the latest technologies for enhanced learning experiences and prepares future-ready students.

It was an informative workshop as the teachers had hands-on session.

The teachers felt empowered using the latest tools of technology with an aim to enhance their teaching skills.
