

## Ms. Supriya, SAT Co-ordinator represented Sat Paul Mittal School at India Global Higher Education Alliance Conference

Ms. Supriya, SAT Co-ordinator of Sat Paul Mittal School, attended India Global Higher Education Alliance Conference held by College Board, USA at The Lalit, Delhi on 14<sup>th</sup> October, 2019. The India Global Higher Education Alliance is a platform for achieving three primary goals. The first is to build a community of innovative secondary and higher education leaders who will work to improve the transition for the students to higher education in India. The second goal is to establish a forum for sharing of global best practices so that we can learn and understand the nuances of admission protocols around the world. The third goal is to take concrete actions to help ensure that all students, regardless of income, geography or class, can access excellent higher education.

The SAT coordinators across the country attended the conference. A discussion was held on New Education Policy, Steering Future Directions of Global Education and Exploring Areas of Educational Reforms in India to make world class education easily available. Jeremy Singer (President, The College Board, USA), Linda Liu (Vice- President 'International', The College Board, USA), David H. Kennedy (Counselor for Public Affairs, US Embassy), Jessica Marinaccio (Member, Columbia University, USA), Shamika Ravi (Prime Minister's Economic Advisory Council Member, India), Professor Gray Kochhar-Lindgren (HKU, Hong Kong), Laura Severin (Yale-NUS College, Singapore), Ryan Pinto (CEO, Ryan Group of Institutions, India) and Senior Vice Chancellors from the Indian leading Universities were the speakers. The members spoke about new- age possibilities and methods to improve the quality of education in India, ensure equitable access to it, and expanding the scope of conversation to help elevate the role of admissions in advancing the mission and agenda shared by the College Board and the Alliance members.

There was also a University Fair by all the reputed universities of India and abroad. It was a wonderful interaction session and great learning experience.
