

Satyan Showcase Day- Class Upvan

Sat Paul Mittal School leaves no stone unturned to hone the communication skills of the students. Keeping in league with this philosophy, third Showcase on the theme “Transport” was held for class Upvan. It included role play where the different modes of transport were explained along with the safety rules. It was followed by a poem “go-go-go”. The Satyans showcased their work to their parents with full zeal and confidence. Thereafter, picture talk for blends was conducted wherein children spoke confidently. Showcase ended with a tambola game & winner was rewarded. The entire event was a huge success. Parents appreciated the efforts put in by the Satyans. They were mesmerized to see their children showcasing with utmost ease and confidence.
