

## Sat Paul Mittal School students organized 'Plogging' drive to clean up roads

A 'Plogging' drive was organized on 30th January, 2020, by the students of Sat Paul Mittal School under the guidance of the officials of Ludhiana Municipal Corporation, Zone D and the support of Ms. Bhupinder Gogia, Principal, Sat Paul Mittal School. This initiative was undertaken in

the presence of Bantu Singh, Chief Sanitary Officer, Jatinder Vij, Sanitary Inspector, Kuljeet Kaur, C.F, Kirpal Singh, SDO Horticulture and Cleaning Team of Ludhiana Municipal Corporation. This environment initiative was taken up as an extension of 'Swacch Sarvekshan League 2020' by the Government of India. The drive was aimed at teaching the young minds to be proactive and concerned citizens of the country.

Taking another step to make the city clean and green, Ms. Bhupinder Gogia, Principal, Sat Paul Mittal School along with the student volunteers initiated the plogging drive in the adjoining park. The students not only rid the area of the plastic waste but also sensitized the residents of Dugri to shun single use plastic. They also promoted the use of recycled and environment friendly materials. The unique concept of plogging involves picking up plastic waste lying strewn along the way while jogging.

'Swacch Sarvekshan League 2020' is a drive wherein the cities would be ranked according to their cleanliness quotient on quarterly basis. The initiators of the drive, Satyan Harnoor Dhillon and Satyan Abhiraj Gupta spread a message 'Investing in the country would give the best possible returns'.

Everyone appreciated the efforts of the students and encouraged them to keep working for the cleanliness of the society.
