

## Ms. Puja Chopra, Career Counsellor, Sat Paul Mittal School conducted a webinar on Resume Building under the project 'Strengthening NYKS and NSS'

A Resume Building is a written compilation of a person's academic achievements, work experience, projects, internships, credentials and accomplishments. In light of this, Ms. Puja Chopra, Career Counsellor, Sat Paul Mittal School conducted a webinar on Resume Building in collaboration with AFS India, YRC Nahan, Nuapada & Mahendragarh under the project 'Strengthening NYKS and NSS' for the Graduate and Post Graduate students. Each candidate has to clear the six seconds assessment through their resume to be eligible for the next step of selection. The webinar on Resume Building focused on the structure, types of resume, Do's and Don'ts in a resume, how to avoid errors in a resume. The zeal and enthusiasm of the students during the session was amazing.
