

**Ms. Monica Joshi, IT Head, Sat Paul Mittal School conducted a webinar on Critical Thinking, Creativity and Imagination under the project 'Strengthening NYKS and NSS' in lieu of World Youth Skills Day**

Ms. Monica Joshi, IT Head, Sat Paul Mittal School conducted a webinar on Critical Thinking, Creativity and Imagination on 9<sup>th</sup> July, 2020 in collaboration with AFS India, YRC Nahan, Nuapada, Mahendragarh, Russia, Bangladesh and Kerala under the project

'Strengthening NYKS and NSS' for the Graduate and Post Graduate students in lieu of World Youth Skills Day. The right mix of creativity, critical thinking and imagination helps the students to be innovative and also encourages them to learn new things. Students can grow up as good communicators in addition to improving their emotional and social skills. In fact, creative expression plays a key role in a student's emotional development. During the session, Ms. Monica Joshi stressed that there is a need of Critical Thinking, Creativity and Imagination in everyone's life. She also focussed on 4C's Game based Learning and how these skills can be enhanced using Gamification. The 4 C's of Future Education- Critical Thinking, Collaboration, Communication and Creativity. She demonstrated that how the applications like Minecraft, Paint 3D, Merge Cube and Adobe can be used to unleash the creativity and critical thinking skills. The aim of this workshop was to raise confidence and broaden knowledge in the participants to become more creative and develop their critical thinking and problem solving skills. The audience was very responsive and happy with the key takeaways of this session.
