

**Satyan Piaa Khurana won third prize in Virtual Declamation Contest  
organized by Pushpa Gujral Science City**

Satyan Piaa Khurana of Grade IX secured third position and a prize money of Rs. 1000 in Virtual Declamation Competition organized by Pushpa Gujral Science City jointly with the Punjab Energy Development Agency (PEDA) to celebrate the National Energy Conservation Day. Around 75 students across Punjab participated in this competition. Piaa emphasised on the need to improve energy efficiency by adopting energy conservation measures. She has also suggested to use more of renewable resources like solar energy and hydroelectric plants.
