

Satyan Anahita Thapar and Yuhaan Ali excel in VVM

It is indeed a moment of great pride as Satyan Anahita Thapar of Class VI secured first rank and Yuhaan Ali of Class VI bagged third rank under Class VI at the State Level of Vidyanthi Vigyan Manthan (VVM), India's largest science Talent Search examination for school students from classes VI to XI. Anahita will receive a cash prize of Rs. 5000 and Yuhaan will receive a cash prize of Rs. 2000 along with Certificate. Anahita, first position holder, will also participate in the National Level Competition in May, 2021.

Vidyanthi Vigyan Manthan (VVM) is an initiative of Vijnana Bharati (VIBHA), in collaboration with Vigyan Prasar, an autonomous organization under the Department of Science and Technology, Government of India and National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education (earlier known as Ministry of Human Resources and Development). VVM is a national program for popularizing science among school students of standard VI to XI, conceptualised to identify the bright minds with a scientific aptitude among the student community.

Ms. Bhupinder Gogia, Principal, Sat Paul Mittal School, congratulated the students and said, "Anahita and Yuhaan are well-rounded students and perform at the highest levels in academics, extra-curricular activities and sports".
