

Namya Joshi has been awarded for Out of the Box Creativity by Anon Global Foundation

Satyan Namya Joshi, Grade IX student has been awarded, **Out of the Box Creativity** (13-18 years) in Kindness Tuesday, Inter School Competition organised by Anon Global Foundation for making a video on ‘The Year We Lost’.

ANON is a social NGO, promoted by Ms. Arti Girdhar, a philanthropist and educationist, who has been instrumental in training tens of thousands of school children on various health related issues for free. Ms. Girdhar is dedicated to the cause of promoting wellness and improved living standards, for an all- round welfare of the society. It has become a necessity to train the younger generation to live their lives in such a way that does not adversely impact their well-being and health. Namya, with her out of box creative thinking, showed how it was possible.
