

Enriching programme in collaboration with Rocksport to welcome the Satyans of Classes IX, X & XII to the new session

“Sports do not build character. They reveal it.”

Sat Paul Mittal School advocates making education more experiential, holistic, integrated, inquiry-driven and learner-centred. Fostering in Satyans the much needed skills of 21st Century, the school hosted an enriching programme as part of the Teacher Connect Programme in collaboration with Rocksport to welcome the Satyans of Classes IX, X and XII to the new session.

The excitement mounted to a fever pitch among the students as they gathered amidst great mirth, verve and camaraderie to participate in the fun filled activities. The spirited Satyans kept alive the tradition of sportsmanship, skill and fortitude as they actively participated in plethora of activities such as Body Zorb, Burma Bridge, Commando Net and Hop Scotch. The school playground transformed into a colossal amphitheatre as the robust Satyans, guided by skilful team of Rocksport trainers, presented their undaunted display of sports. Amidst the loud cheers, they showcased their acrobatic skills as they participated in activities like Rock Climbing, Horizontal Climbing and Zipline. The campus reverberated with excitement when Satyans cheered up their team members to accomplish the task. The event was a great success as it was instrumental in tapping the potential of the students and gave them an opportunity to work collaboratively amongst the peer group.
