

## MINDLER SESSION FOR CLASSES X AND XII

“In order to be impeccable one must be different”

An enlightening and educative workshop on career planning conducted for Class XII students by Mr. Prikshit Dhanda Director and the Chief Strategy Officer at Mindler.

The focus was on overseas and Indian College Application strategy. Satyans engaged in a very intuitive discussion on various career options and the path involved in achieving your goals.

The importance of goal setting and relevance of research were the key pointers of discussion. Key Emphasis was laid upon the importance of shortlisting ambitious, realistic and backup colleges and career options.

The session was extremely interactive, interesting and informative as it created awareness among the students of what profile building actually is, what kind of portfolios colleges actually look at and the list goes on. The workshops helped students get a clear picture of their career choices and plan their way forward.

. The workshop concluded with a doubt session which was equally effective as it helped in clearing student’s doubts with practical examples being the aid.
