

Vocational Training Trip to Kitty Bread and Duke Fashion India Limited for Class VI

Vocational Training at the high school level helps in introducing various occupations to the students and imbibe a sense of respect for all jobs. Keeping this objective in mind, Grade 6 students of Sat Paul Mittal School were taken of Duke Fashion and Kitty Bread, Ludhiana for a field trip on April 30, 2022.

To ensure a safe trip while exposing students to various occupations, technical skills and life skills, the students were divided into small groups with two teachers accompanying each group. Group 1, consisting of Section A and B visited Duke Fashion India Limited, Ludhiana whereas Group 2, consisting of Section C and D visited Kitty Bread, Ludhiana.

The students and teachers were extended a warm welcome by the officials at the industrial units and shown around the plant. The students got a chance to see the manufacturing process first hand while the officials explained the nitty gritty of it. They also answered various queries students had concerning, manufacturing, distribution and other technicalities involved.

The students enjoyed the refreshments served during the visit. A bus ride with classmates and friends plus first hand experience of manufacturing process in industry provided a welcome break from classroom learning.
