

Orientation by Mindler class XI

Sat Paul Mittal School in collaboration with Mindler conducted an orientation session for Grade XI on July 7th, 2022 from 8am –9am wherein the Satyans discussed how Mindler can help them in carving a career path and make informed decisions.

Students were walked through the steps to take up the psychometric assessment and a deep dive into exciting career research tools like career library, informative career blogs & interactive vlogs to equip you for your journey ahead.
