

Satyan Namya Joshi Honoured with Global Child Prodigy Award 2022

Satyan Namya Joshi of Grade X of Sat Paul Mittal School brought laurels to the school once more as she was honoured with Global Child Prodigy Award 2022 on 20th August, 2022. Namya has been awarded with the Global Child Prodigy Award 2022 for her outstanding contribution and achievements in the field of Technology. The Global Child Prodigy Awards 2022 organized a grand ceremony at Marriot Hotel in Jaddaf to honor the awardees. Namya Joshi was honoured by Nobel Laureate Sir Richard J Roberts, Dr K Abdul Ghani, renowned environmentalist and 'Green Man of India', and Dr Azad Moopen, founder, chairman and managing director of Aster DM Healthcare.

GCP Awards is the world's first and only child prodigy initiative that recognizes the top 100 international child prodigies from various verticals each year. It is the first platform of its kind with the objective of recognizing child prodigies in different categories including Arts, Music, Dance, Writing, Modelling, Acting, Science, and Sports. This initiative aims at providing the young talent the global exposure they deserve while giving them the right opportunities at the right time to ensure that they create a major impact on the society.

Namya Joshi, one of the top 100 Global Child Prodigies visited Dubai, UAE, for the award ceremony and showcased her extraordinary talent. The awardees came from different countries like the USA, France, Russia, United Kingdom, Spain, India, Georgia, Kenya, Brazil, Greece, Belgium, Romania, and many more.

Ms. Bhupinder Gogia, Principal, Sat Paul Mittal School, expressed her delight on Namya's outstanding accomplishment and congratulated her for this remarkable achievement.
