

Career Fair at Sat Paul Mittal School

“The difference between try and triumph is a little umph.” - Marvin Phillips

Sat Paul Mittal School, in collaboration with 42 universities organized the annual Career Fair on 30th September 2022 in the Mittal Auditorium. In this event, several representatives from Indian as well as foreign universities came together under one roof to provide a platter of choices to the students. 42 noted universities from across the nation were invited to help the students identify their vocational interests and align these with the choice of the courses offered by them. The fair was attended by students, accompanied by their parents, from various other educational institutions as well. The objective of the school behind this fair was to provide high-school students a platform to collaborate with their dream universities in India to make informed career choices. The guidance was provided to students regarding course choices, admission procedures, deadlines, and career prospects. The students and parents were given a chance to associate with emerging career options which would help them take well-informed decisions.

The universities and colleges that were a part of this event are as follows- Ajeenkya DY Patil University, Amity University, Anglo-Eastern Maritime Academy, Ashoka University, Atria University, Bennett University, BML Munjal University, Chandigarh University, Christ University, Ecole Intuit Lab Delhi, Flame University, GD Goenka University, IIAD-Indian Institute Of Art And Design, Indian School Of Hospitality, Karnavati University, King’s University College, Krea University, Lovely Professional University, Mahindra University, Manav Rachna Educational Institutions, Manipal University, Marwadi University, NIIT University, OP Jindal Global University, Plaksha University, Sai University, San Diego State University, Shiv Nadar University, Shoolini University, SP Jain School Of Global Management, SRM IST, Delhi NCR Campus, Thapar Institute of Engineering And Technology, Universal Business School, University of Petroleum And Energy Studies, University Of Victoria Canada, University Of Guelph, UPES Dehradun And Pearl Academy, Whistling Woods International, World University Of Design and Woxsen University.

The Career Fair was a pivotal initiative in providing the educators, students and parents an opportunity to work in partnership on optimizing career options and take well-informed decisions pertaining to their careers rationally.
