

Children's Day Celebration

“Every child is a different kind of flower and all together they make this world a beautiful garden”. Senior school teachers and non-teaching staff of Sat Paul Mittal School with great fervour and enthusiasm made the Children's Day Celebration a memorable one for our dear Satyans. Childhood is all about being innocent, having fun and enjoying a carefree life. A series of events which included dancing and singing performances by staff captured the moment and made the day a special one. It was a visual delight for our dear satyans to watch their mentors presenting a beautiful show for them. The students enjoyed each moment that was gracefully knitted for them with loud applause. The event concluded with words of appreciation and motivation by Ms. Bhupinder Gogia which filled the atmosphere with all the more energy.
