

Sat Paul Mittal School celebrated Mathematics Week for Classes VI-IX and XI

To commemorate the birth anniversary of the great Mathematician, Srinivasa Ramanujan, Sat Paul Mittal School celebrated Mathematics Week. With the objective of creating awareness about the importance of Mathematics in day-to-day life, various mathematical activities were performed during this week. The Satyans of grade VI-VII participated in the Satyan Marathon and the same data was represented by them in the form of Bar Graphs. The Satyans of grade VIII and IX participated in the Math-O-Mania quiz where they fought face to face challenging questions. Satyans of Grade XI participated in challenging puzzle competitions and solved the sheets of Mental Ability.
