

Sat Paul Mittal School organised The Satyan Entrepreneurial Challenge 2022-23

“You have to work on the business first before it works for you.”-Idowu Koyenikan

With a perspective to develop an entrepreneurial mind-set in the young minds of Satyans, a two day Satyan Entrepreneurial Challenge was organized at Sat Paul Mittal School. The concept of the event involved budding entrepreneurs from grade VIII and IX. In line with the National Education Policy 2020 that emphasized on mainstreaming of vocational education with general education, Sat Paul Mittal School created an ecosystem for Satyans to train and hone their entrepreneurial skills.

The participants of forty teams, armed with in-depth research, validated and exhibited their projects to the sharks who were part of the jury.

The sharks comprised of eminent personalities from around the city. Er. Harpreet Khattar, Founder & Managing Director SECULABS INC; Ms. Ayushi Gupta, Founder Ayushi Defining Life; Ms. Anima Mishra, Founder & CEO, Ekara Financials; Mr. Ati Priye, CT University, Dr. Arvind Dhingra, Executive Director Science & Technology Entrepreneurs' Park (STEP-GNDEC) Ludhiana; Mr. Ati Priye, Director, Planning and Development, CT University, Ludhiana; Mr. CS Rattan Chanjotra, Managing Partner, Lal Ghai & Associates, Company Secretaries, Executive Member DTBA - District Taxation Bar Association, Dr Munish Jindal, Founding president - Mentorx, CEO & Founder- Hoverrobotix, Regional Mentor of change - Niti Aayog and Dr. Nancy Juneja, CEO & Founder- Revup, Mentorx, Mentor of change - Niti Aayog, Ministry of Education were some of the dignitaries who comprised the jury. The eminent jury members grilled the young entrepreneurs with the most challenging queries. The competition was very stiff as all teams exhibited immense confidence and responded wonderfully to the questions asked by the visionary judges.

While announcing the results, the jury appreciated the teams for their efforts and unique ideas. Gold medals were awarded to the teams with the best business idea, logo, website, tagline and prototype. From Grade IX, Aiyra Sood, Alvira Chopra, Aahana Gupta, Jyotmehar Kaur, Hansika, Dia Mittal and Vania Chopra from team Ennovia bagged the first position. From Grade VIII Kushagra Jain, Amaira Ladia and Shenaya Chadha from team Printalistic Pen and Naitik Bharti, Nimish Bansal, Pranvit Singh, Gursher Singh from team V-Care bagged the first position. The day concluded on an enthusiastic note as the presentations of the participants infused entrepreneurial fervour in the entire audience comprising of secondary school students. The spirit of these young entrepreneurs in the auditorium was unparalleled!
