

Annual Art Exhibition 2023-24 (Senior School)

The true work of art is but a shadow of the divine perfection.”

The department of Art organised an art exhibition on 15th March 2024 to provide limitless opportunities for creative minds. The initiative was taken to bring forth the innate skills and talent of our students and hone their creative genius. The show was abuzz with excitement and fervour as it showcased the Paintings and 3d work of our students in their myriad hues. The display ranged from Canvas Painting, Dot mandala Mirrors, 3d texture paintings, Madhubani Paintings which brought out the best creativity of our Satyans. Students made vibrant wall hangings and mural paintings to embellish the art room.

Our budding artists presented many creative ideas which left all the viewer's in awe and full of praise for the talent on display. The kids displayed their works which were compiled by their fostered creativity and enhanced skills. The exhibition provided the right platform for students to display the varied and beautiful articles and the exquisite paintings done by them throughout the academic year.

The parents were very happy to watch the colourful displays of their wards and applauded the efforts of the students who under the guidance of their teachers had put up an amazing array of artifacts. Satyans made this art exhibition a huge success with their hard work and creativity.
