

Sat Paul Mittal School witnessed Closing Ceremony of Satyan Innovation Fest

The Satyan Innovation Fest (SIF 4.0) wrapped up with a dazzling Closing Ceremony at the Mittal Auditorium of Sat Paul Mittal School on May 10, 2024. The yearly gala has evolved into a glimmer of inspiration, fostering the dreams of emerging innovators ready to reshape AI and the Digital Marketplace, powered by Whizrobo Private Ltd. As the day descended, the stage was graced by luminaries of academia and industry, led by Dr. Ranjitsinh Disale, Winner of Global Teacher Prize, whose presence radiated a mystical aura of wisdom and enlightenment. Shri Bipin Gupta, Vice Chairman, Governing Council, Sat Paul Mittal School, extended a verdant welcome to the esteemed guests and participants.

The ceremony attained celestial heights with the inclusion of a stellar panel, encompassing visionaries from diverse domains. Dr. K.S. Bath, JD-Science Outreach, PSCST, Ms. Ratika Singh, Digital and brand strategist, TIE Evangelist, Angel Investor, Mr. Pekka Ouli, E-Learning Specialist, POKE, Ms. Katja Huttunen, Technologic Education, Coordinator, POKE, Mr. Tomi Kankainen, Education Innovator and Melody Maker, Ms. Shruti Jain, Founder Cyberxel Managing Director at www.limasy.com and Mr. Lotti Mukuka, AI Expert, bestowed the proceedings with an impression of distinction. The engagement of luminaries with the student innovators not only imparted invaluable wisdom but also fostered a deeper understanding of the pragmatic applications of their endeavors, igniting the flames of innovation that shall brighten the path forward.

In a moment of gracious acknowledgment, the esteemed Chief Guest, Dr. Ranjitsinh Disale extended heartfelt congratulations to Sat Paul Mittal School for providing a wonderful platform to showcase their creation and innovation. In his address, he guided all attendees by mentioning, “With proper construction, appropriate data, and application of our understanding of human learning to the algorithms, we can truly soar”.

Amidst the jubilant atmosphere of the event, where young minds were ignited with inspiration to catalyze change and carve paths towards entrepreneurship, the event proceeded with the announcement of accolades. The prestigious first prize, a substantial cash award of ₹31,000, was triumphantly claimed by BCM Arya Model Sr. Sec. School, marking their outstanding contribution and excellence. Following closely Learning Paths School secured the second position, earning a commendable ₹21,000, while Guru Nanak Public School proudly embraced the third prize, a noteworthy ₹11,000. In a celebration of innovation and entrepreneurship, Mahima Saxena of Kundan Vidya Mandir Sr. Sec. School was honored with the title of AI Champ, Harpavit Singh of BCM Arya International School received Digital Dynamic Award and the accolade for Best Survey was received by Drsishti Dr. R.C. Jain Innovative Public School.

Namya Joshi, the President of the Satyan Innovation Fest 2024, tenderly expressed her profound gratitude to her mentors, teachers, and peers for their invaluable contributions to this monumental event. A poignant closing video and a soul-stirring Hip Hop performance by the Satyans marked the culmination of the fest, evoking a bittersweet sentiment among attendees, who departed with both anticipation for the year ahead and cherished memories from the present.
