

Grandparents' Day Celebration at Sat Paul Mittal School

Grandparents-The Epitome Of Timeless Love And Endless Stories

Grandparents are the repositories of wisdom and experience, having lived through a myriad of life's challenges and triumphs. Their stories, anecdotes and advice serve as valuable life lessons for their grandchildren. From tales of perseverance during difficult times to tales of youthful escapades, these narratives offer insights that are not always found in textbooks and online resources.

Sat Paul Mittal School believes in fostering strong family bonds and celebrating the diverse tapestry of generations that make up our society. To honour and celebrate the role of grandparents in our lives, Grandparents' Day celebrations were held on 24th September, 2024 in the Mittal Auditorium.

The day commenced with a heartfelt and warm welcome extended by Mr. Sunil Gupta, Member, Governing Council, Sat Paul Mittal School. He laid emphasis that the connection between grandparents and grandchild is a testament to the enduring power of family bonds and it shapes values, nurtures emotional wellbeing and provides foundation for personal growth.

The day was marked with various activities which included, The Wellness Forum, a session on health tips and wellness for our dear grandparents led by a panel of medical experts. A karaoke session and musical medley of songs added joy and nostalgia to the event. The audience was awestruck with the dance performance by fellows and interns. Mrs. Bhupinder Gogia, Principal, Sat Paul Mittal School proposed the vote of thanks and expressed a deep sense of gratitude for the esteemed presence and participation of our dearest grandparents. The function culminated with the school song followed by the National Anthem.
