

THE BLAZING SATYAN TIMES

“The sun does not shine there, nor do the moon and stars, nor do lightning shine. All the lights of the world cannot be compared even to a ray of the inner light of the Self. Merge yourself in this light of lights and enjoy the supreme Deepavali.”

The ambience of Sat Paul Mittal School experienced the true spirit of love, joy and compassion as it celebrated Diwali with great fervor. The school was tastefully decorated with diyas and lights hoping that the festival of lights brings sparkles of joy and happiness in everyone's life. The day started with an assembly based on the theme of Diwali. Through their emphatic speeches, the students highlighted the significance of Diwali which symbolizes the victory of righteousness. A hindi poem was recited followed by a western song. Spreading festivity, various competitions such as cooking, rangoli making, card making, candle decoration etc. were organized in the school. The students dabbled in colours and displayed their talents while decorating the classes and the corridors with vibrant and colourful rangolis, flowers and other embellishments. The Principal, Ms. Bhupinder Gogia wished that the festival of lights be the harbinger of joy and prosperity and urged the students to imbibe the true spirits of diwali. A video was being shown thereby to spread the message of eco-friendly and green Diwali. Indeed the school brimmed with gaiety and mirth as the vibrant hues spread the message of goodwill.

PRAVESH VATIKA

Class PV students rejoiced Diwali celebration by having a spontaneous card coloring competition. The children cherished seeing an English Ramayan video. The tiny toddlers had fun decorating their classes and making rangoli. To add spark to the fire they drew diya's in sawdust which concluded their day.

CLASS UPVAN-I

The children of class Upvan and I enthusiastically participated in candle decorating competition using 3-d decorative material with a sporting spirit. To add life to the dull corridors they made beautiful rangolis by using vibrant colors. They got a chance to decorate their classes which made them happier more than ever. They concluded their day with a merry treat.

CLASS II-III

Vibrant Satyans of class II and III spent their day making torans as a part of their competition. The students were also asked to color the Fun-Sheet and express their views on the auspicious occasion of Diwali. A day prior they had a clay modeling competition in which they participated with great zeal and enthusiasm.

CLASS IV

A thali decoration competition was organized for class IV on the auspicious occasion of Diwali. The satyans beautifully decorated the thalis and left everybody awestruck. A diya decoration competition was also organized for class IV. The classes looked very beautiful with the warmth of the diyas glowing in the corridors.

CLASS V

The satyans of class V showcased their creativity by making beautiful and colorful lanterns with intricate designs. The best lanterns were displayed outside the class and the guests were mesmerized looking at them. The light of the lanterns signifies vigor and enthusiasm to make a difference to the life of the students.

MATHS CHALLENGE ACTIVITY (CLASS IV-XII)

Maths is the cradle of all creations, without which the world cannot move an inch. Maths is not about numbers, equations, computations or algorithms, it is about understanding. We at Sat Paul Mittal School believe that a good curriculum of mathematics is helpful in effective teaching and learning of the subject. In order to encourage and attract an alert and open-minded attitude among students and help them develop clarity in their thinking, "Mathematics Quiz" was held in the school for classes IV to XII on this special occasion of Diwali. The students had to pick up chits of questions from a box and answer it within two minutes. For every correct answer, the student was appreciated and was given a higher level of question. The quiz was full of fun and was enjoyed by all the participants as it was a wonderful experience for them to test their logical-thinking skills.

FIRELESS COOKING

The masterchefs of the school displayed creativity and innovation in making brownies, salads and mocktails. The twenty participants prepared mouth-watering delicacies. They were judged on the basis of presentation, taste and creativity

RANGOLI MAKING

Rangoli is an art from India in which patterns are created on the floor using materials such as coloured rice and flower petals. The purpose of rangoli is decoration and is thought to bring good luck. On the auspicious occasion of Diwali, Sat Paul Mittal School organized a Rangoli Making competition for all the classes. There was a mood of celebration and jubilation in all the corners. The school's amphitheater brightened up with colorful rangoli. The students exhibited their flair in art by making beautiful rangolis using geometrical shapes, deity impressions and floral motifs. The judging criteria was based on symmetry, color combination, creativity and the neatness of rangoli patterns.
